## BEACHWEAR ACCESSORIES TO FALL IN LOVE WITH DETAILS

---

Màrya is the first Metalbottoni collection designed to introduce a new vision of accessories for the beachwear world. Born from the sea, like the mythical Venus, to create dynamic elements of style, with a valuable, stylish and versatile approach, Màrya is the result of painstaking research, shaped on the basis of the long-standing Metalbottoni experience in the world of fashion apparel, for a collection consisting of real jewels from the sea, which are able to enhance each single detail in the beachwear thus making it unforgettable.

Màrya is a comprehensive collection which features items for men and women, ranging from traditional bathing costumes and bermuda shorts to beach apparel, beach robes and wraparounds. This line is elegant and stylish, as well as showing outstanding functionality, providing a complete range which also includes sportswear accessories.

A wide range of materials and finishing is used to create these accessories: from metal to nylon and silicone up to polyester and acrylic.

Performance and elegance brought together.

Our wide range of products consists of pressure buttons, rings, half-rings, loops, adjusters, buckles, clips, string stoppers and knot covers, tags, pendants, studs, pullers.

The long-standing expertise of Metalbottoni in the world of accessories guarantees compliance with the highest quality standards required by the industry, resulting in a line which embellishes with fashion details, the product of continuous research conducted in-house by the company's Style Department.

New shapes and finishes for a versatile and dynamic collection.
